

PAJAMA SCHOOL – *stories from the life of a homeschool graduate*

About the Book

Do you get to wear your pajamas to school? Do you have recess or snow days? What about socialization? Every homeschooler fields dozens of questions like these. Natalie goes beyond providing simple answers and shares candidly about the experiences that led her to conclude that education is about much more than academics. Whether you've been homeschooling since the days of the *New England Primer* or are just embarking on this educational adventure, you will find hope, humor, and an ample dose of reality in the pages of *Pajama School*.
